

Agilis Mesh Panels offer a sleek industrial aesthetic that incorporates enhanced airflow, light transmission and expansive views of the plenum into your design.

PHYSICAL DATA

- Material substrates - Aluminum, Carbon Steel, Galvanized Steel & Stainless Steel
- Fire Performance - Class A: Tested per ASTM E84. Flame Spread Index 25 or less. Smoke Developed Index 50 or less. CAN/ULC S102 surface burning characteristics. Flame Spread Rating 25 or less. Smoke Developed Classification 50 or less.
- Warranty - One Year Limited
- Surface Finish - Products can be anodized, powder coated, galvanized or painted with a fluoropolymer paint. Most of these products can be plated with an antique nichol finish with variable patina. These finishes offer protection and create stunning visual effects.
- Seismic areas - Agilis has been engineered for use in all seismic areas. Installations may require additional attachment from baffle to suspension bar. Check with local code officials or a licensed engineer for additional requirements.
- Expanded Metal is supplied in a standard (raised) diamond pattern or a flattened variety.
- Acoustical Options - Panels are supplied with acoustic infills to absorb sound - NRC values include .60, .70, .90, .95, 1.0, 1.1. Low visibility black infill available upon request.

FEATURES

- Create sleek industrial looks
- Available in a wide variety of woven wire, welded wire and expanded metal designs.
- Maxxit's custom suspension system offers easy downward access, onsite adjustments and accommodates a large variety of panel sizes.
 - ▶ Integrated mechanical trough allows for device and light fixture mounting
 - ▶ Versatile attachment - spring clips allow downward access panel removal
 - ▶ Engineered suspension needs fewer ceiling connection points
- Custom sizes & shapes - At Maxxit custom is what we do best. We will make any shape or size you can design.
- Standard sizes - in addition to custom we also have quick ship standard products available made to order
 - ▶ 2' x 2'
 - ▶ 2' x 4'
 - ▶ 4' x 4'
- Quick ship and expedited shipping
- Lightweight, easy to install
- Cleanable using CDC recommended and EPA-approved disinfectants for fog, spray & wipe
- Integrated lighting options available
- Available with acoustic backing

COLOR & FINISHES

Maxxit powder coat finishes offer superior chemical, scratch and UV resistance, they do not emit VOC's and are available in a broad range of textures, glosses and specialty looks.
